

In the Specification:

On page 10, line 1 please enter:

Figure 13 is a front elevation view of a hand brake assembly incorporating a portion of a presently preferred embodiment of the automatic application hand brake of the invention showing a connection on at least one brake means.

On page 10, line 15, replace the paragraph with the following:

Refer now, more particularly, to Figures 1 through 6 and Figure 13 of the drawings. Illustrated therein is an apparatus, generally designated 10, which is engageable with a hand brake assembly, generally designated 20, for automatically applying at least one brake means (not shown in Figures 1-6) secured to a railway vehicle (not shown) with such hand brake assembly 20. Figure 13 is similar to Figure 1 showing a hand brake assembly 20 incorporating a portion of a presently preferred embodiment of the automatic application hand brake of the invention showing a connection on at least one brake means, generally designated 200.
